

Our Life After Death: A Firsthand Account from an 18th-Century Scientist and Seer

Filesize: 1.17 MB

Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

Swedenborg Foundation, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. In his classic *Heaven and Hell*, Swedenborg takes the reader on a journey through the afterlife, describing the spiritual world in intricate detail. *Our Life after Death* is a collection of writings from that volume that focus specifically on what happens to us as we cross over and what we experience as new souls in the world of spirits, where we prepare to find our soul's permanent home. Swedenborg tells us that it is not God who judges people and send them to either heaven or hell, but rather it is we who judge ourselves. In this book Swedenborg reveals the process by which people confront who they were on earth, discover their true selves, and use that self-knowledge to discover their final home in the afterlife. An introduction by near-death researcher Dr. Kenneth Ring draws parallels between Swedenborg's experiences and those of millions of modern people who have had near-death experiences. This book provides a brief but thought-provoking introduction to Swedenborg's afterlife for those who want to delve deeper into this fascinating subject.
