

Alphabet Alliteration Bilingual Jamaican Creole English

Filesize: 6.53 MB

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Mrs. Josiane Collins)

Createspace, United States, 2015. Paperback. Book Condition: New. Adele Marie Crouch (illustrator). Bilingual. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you ready for a new way to learn the alphabet? This isn't your average A B C s. Those of you who remember, She sells seashells by the seashore, will enjoy this book immensely. A twist has been added to the basic A is for apple that will make learning the alphabet crazy fun. Alliteration has been used for each letter of the alphabet. Alliteration is the repetition of initial consonant sounds in two or more neighboring words. Jamaican Creole (Patwa) Jamaica's motto, Out of many one people can be easily seen through its language. Jamaican Creole, known locally as Patwa (Patois), is an English-based Creole language in the Western Atlantic Creole family. Patwa has strong influences from languages of West and Central Africa, and small influences of Spanish and Portuguese. It developed during the 17th century and includes significant influences from various dialects of English, especially those of Scotland and Ireland, as well as dialects of West African languages such as Akan and Twi. Over 4 million people speak Jamaican Creole, most of whom live in Jamaica. There are also many speakers in parts of the USA, Canada, Brazil, Costa Rica, Panama, Nicaragua, Colombia and the UK. Nevertheless, the language is in danger because of the dated view that Patwa is a socially inferior language to English. In recent years, however, much has been done to educate Jamaicans and the Jamaican diaspora of the legitimacy and rich history of their language.
