Dimensions: 9.0in. x 6.0in. x 0.3in.Growing up in middle class Toledo, Ohio in the 1980s career choices were somewhat limited to working in factories or in the medical field. I came from a very stable home as the oldest of six kids with two hard working parents that provided for us but didnt spoil us. Our parents gave us a private educati on grades 1 - 12 and my Father helped get me a summer job to pay for college at the local General Motors plant where he worked. In college I had two majors, one in Politi cal Science and one in Communicati ons. As part of my Communicati ons major I got an internship at the local rock n roll radio stati on and ended up pursuing a career in that fi eld with that radio stati on. This story is about what happened from there. Its about dealing with the unpredictable changes that happen with your company and your career and what happens when they overlap. Someti mes the results arent the best... but none the less, you still learn and someti mes the experiences are even fun! This item ships from multiple locations.
