Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Being a teenager is hard! Life is awkward, you have all of these emotions that you don't know what to do with and to top it off, if you're growing up in a Christian household, your parents keep telling you about this Jesus person and you're just like, huh? He loves me? Who IS he? I get it! Although some parents may forget how it is being young it doesn't change the fact that our girls experience emotional rollercoasters, self-esteem and confidence issues as well as trying to understand who God is to them. Embrace Your Awesomeness is a devotional book that not only provides encouraging, uplifting and empowering content for young Christian girls but it also helps them to understand how to apply the Word of God to their young lives. This book covers topics such as the importance of obeying their parents, having positive healthy friendships, being confident in Christ, living a pure life, having social media etiquette and embracing individuality. The message in this book is to teach teen Christian girls how to understand the Word of God, confidently walk by faith, communicate with God through prayer, acknowledge God in all that they do and most importantly: how to accept the way that God made them, quirks, flaws and all.
