Then one day the Little Brown Horse stumbles on a beautiful green valley. Imagine the Little Brown Horse's excitement upon finding that this magical place is populated by a bunch of friendly horses. Soon, the Little Brown Horse is welcomed into the fold, becoming best buddies with the other horses in the green valley. Finally, the Little Brown Horse has found a real home, full of love, play, and camaraderie. But then an unexpected change of heart causes the Little Brown Horse to leave. And what happens next will cause the Little Brown Horse to face the biggest challenge yet. Will the Little Brown Horse stay where life is cold and friendless, or go back to the green valley? And more importantly, will the others allow the Little Brown Horse to return? Gorgeously illustrated in vivid full color, The Little Brown Horse is about why we leave caring relationships. Its message of acceptance and universal friendship is perfect for children of all ages.
