By Larry Tremblay

Talon Books, Canada, Canada, 2002. Paperback. Condition: New. Language: English . Brand New Book. Talking Bodies collects Larry Tremblay's four stunning and memorable solo performances for the stage. Anatomy Lesson A professor re-examines and dissects her long relationship with her abusive, slick, lawyer-politician husband. The Dragonfly of Chicoutimi Forty years after a trauma-induced aphasia, a man loses his maternal French and awakes from a dream reinventing his life in English words using...
