

Elders and Betters

By Ivy Compton-Burnett

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The Donne family's move to the country is inspired by a wish to be close to their cousins, who are to be their nearest neighbours. It proves too close for comfort, however. For a secret switching of wills causes the most genteel pursuit of self-interest to threaten good relations and even good manners. Ivy Compton-Burnett employs her sharp ear for comedy and celebrated powers of dialogue to spectacular effect. She reveals a devastating microcosm of human society, in which the elders are by no means always the betters, in which no character is totally scrupulous, but none without their appeal.
