

In the Beginning There Was X (Paperback)

By Catherine Pavlou

Arima Publishing, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the beginning there was X, and in the end, there will be X again. In other words, life started with women, and, most probably, it will end with women. The appearance of man, was it a fluke or a necessity? What will make him disappear, an accident or the dire consequences of the historically inevitable behavior of men and women? The last man on earth lives, some 125000 years from now, loves and hates, hopes and despairs, looking for the answers in the history of human relationships since the dawn of time, and finally dies, in a world of women only. Before he dies, he imagines a male world, full of violence and revenge, which in the end self-destructs. The dull, dreary existence that used to be life in the all-female world goes on and on, until ultimate security, and the ensuing boredom, snuffles out the last traces of the human race. The message Rivalry between men and women has been going on since time immemorial. Now, things seem to be changing. The two sexes exchange roles, male aggressiveness is outdated,...

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
