INCREASE YOUR CHESS

Condition: New. Publisher/Verlag: Beyer Schachbuch | Increase Your Chess | With his work, the author primarily addresses amateurs and club players (up to a rating of approx. 2000), who want to improve their level through targeted and effective training. For this purpose he uses an unconventional approach, and a sometimes unusual terminology. The reader is thus presented with an innovative model of thinking which enables him to quickly grasp the material and positional characteristics of a position. A model that...

Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

-- **Dr. Bethany Lindgren**

Extensive information! Its this type of excellent study. I have read and i am sure that i will go nna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
