Brand New Book ***** Print on Demand *****.An excerpt from the INTRODUCTION: WHAT Jethro Tull did to improve tillage, the author of Ten Acres Enough did to prove that intensified agriculture on small areas could be made not only to support a family, but to yield a handsome profit, and health, freedom and happiness as well. It has taken two centuries for the most advanced farmers to appreciate Tull and his teachings. It has taken nearly half a century in this progressive age to appreciate and to put in practice, in a feeble way, the fundamental principles which underlie all our dealings with Mother Earth as set forth in this modest volume of two hundred pages. If one totally ignorant of the principles and practices of the various operations necessary to bring to perfection the many plants with which Agriculture has to do, were limited to two publications, I would advise him to purchase Horse-Hoeing Husbandry and Ten Acres Enough. The mistaken ambition for owning twice (often ten times) as much land as one can thoroughly manure or profitably cultivate, is the great agricultural sin of this country, says the author. In California where this is being written, this mistaken ambition prevails to an alarming extent. Too often, farmers have become soil robbers. This state appears to excel all others in its haste to filch from the land every valuable timber tree, every pound of nitrogen, every vestige of humus that can be extracted at a present profit however small, with apparently no thought of the future productivity of the land, the future welfare of the farmer, or the permanent prosperity of the community. I have made a careful study of the conditions of agriculture...
