

The Life Informatic: Newsmaking in the Digital Era (Paperback)

By Dominic Boyer

Cornell University Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. News journalism is in the midst of radical transformation brought about by the spread of digital information and communication technology and the rise of neoliberalism. What does it look like, however, from the inside of a news organization? In *The Life Informatic*, Dominic Boyer offers the first anthropological ethnography of contemporary office-based news journalism. The result is a fascinating account of journalists struggling to maintain their expertise and authority, even as they find their principles and skills profoundly challenged by ever more complex and fast-moving streams of information. Boyer conducted his fieldwork inside three news organizations in Germany (a world leader in digital journalism) supplemented by extensive interviews in the United States. His findings challenge popular and scholarly images of journalists as roving truth-seekers, showing instead the extent to which sedentary office-based screenwork (such as gathering and processing information online) has come to dominate news journalism. To explain this phenomenon Boyer puts forth the notion of digital liberalism --a powerful convergence of technological and ideological forces over the past two decades that has rebalanced electronic mediation from the radial (or broadcast) tendencies of the mid-twentieth...
