If you are still breathing, have a heartbeat, not a narcissistic soul sucking vampire, douche-bag or gutter tramp. . . you need this book! Male or Female, if you believe in love, want an unimaginable romance and mind blowing sex. . . you need this book! There are 96.6 million people single and lonely in America. That equates to 43% of the entire population. With numbers that high, it's obvious that something has gone horribly wrong in society. Those truly seeking the love of his or her life need to throw out everything they've read or been told in the past. Those typical relationship concepts are obsolete and archaic in practice. This is the era of human de-evolution, and you need the firepower to find the love of your life without experiencing one disaster after another. This book is equipped with all the ammunition needed to succeed in finding a true love, and maintaining it for a passionate, long-term, romantic relationship. With wide-range stupidity and appalling arrogance running rampant, there is no more time to be politically correct if we are ever to see a change for the better. The content of this book is gritty, raunchy, erotic, and laugh out loud funny with its George Carlin approach to humor that hits the mark in a full frontal attack on the morally bankrupt. It dives deep into the murky trenches where the foul underbelly of...
