Strap on your six-guns and saddle up for a shoot-out against a horde of angry Sasquatch, zombies, dinosaurs, and more. The Old West has never been weirder or wilder than it has in the hands of master horror writer Brian Keene. Morgan and his gang are on the run--from their pasts and from the posse riding hot on their heels, intent on seeing them hang. But when they take refuge in Crazy Bear Valley, their flight becomes a siege as they find themselves battling a legendary race of monstrous, bloodthirsty beings. Now, Morgan and his gang aren't worried about hanging. They just want to live to see the dawn.
