Lulu.com, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this book a new instrument for individual psychological diagnosis is presented. The approach was based on the work of Ge Calis. His approach was adapted and simplified in order to obtain a diagnostic tool for daily practice. Both in the field of cognitions as in the field of emotions data can be retrieved. In the second part of this book the research context is described. Numerous different research approaches are ordered. This article can be seen as the methodological basis of scientific psychological research.
