*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

THE MYSTERIOUS AFFAIR AT STYLES (BARNES NOBLE LIBRARY OF ESSENTIAL READING) (PAPERBACK)

Barnes Noble Inc, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A wealthy woman is poisoned at an English country manor and the world of detective fiction is changed forever. With *The Mysterious Affair at Styles* , Agatha Christie launched herself, and her beloved Belgian detective Hercule Poirot, into popular culture history. When Captain Arthur Hastings runs into an old friend, John Cavendish, and is invited to the family estate at Styles, he has a premonition of approaching evil . Outside, the Great War is still raging and England is in upheaval. Cavendish s widowed stepmother has brought the turmoil home by marrying a sinister-looking younger man and when she is killed, presumably poisoned with strychnine, he becomes the first and most obvious suspect. But other family members may also have had motives for murder. Luckily, one of the Belgian refugees from the German occupation staying at Styles is a retired police detective: Hercule Poirot is on the case.
