Just as Miss Isabella Winslowe is finally achieving comfortable respectability, the fascinating and decidedly unrespectable Earl of Colebrooke inconveniently appears. When a gentleman is so determined to flirt. The darkly handsome Daniel Colebrooke is intrigued and alarmed when an alluring young lady arrives at his door in need of assistance. In a moment of impetuosity, Daniel decides he must keep a close watch on Isabella, and what better way than to strike up a not-so-innocent flirtation. Together they'll cook up more than a little mischief when a disappearing dead body and a lascivious scandal spins their reckless game entirely out of control.
