Gibler is something of a revelation, having been living and writing from Mexico for a range of progressive publications only since 2006, but providing reflections, insights, and a level of understanding worthy of a veteran correspondent. (Latin American Review of Books) Combining on-the-ground reporting and in-depth discussions with people on the frontlines of Mexico's drug war, To Die in Mexico tells behind-the-scenes stories that address the causes and consequences of Mexico's multibillion dollar drug trafficking business.
