Reviews

The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

Excerpt: .visit to The Glade in a casual sort of way remarked to Mr. Renshaw that he thought every white man and woman in the outlying colonies ought to be able to use firearms, as, although they might never be called upon to use them in earnest, the knowledge that they could do so with effect would greatly add to their feeling of security and comfort. Mr. Renshaw at once took up the idea and accepted the others offer to act as instructor. Accordingly, as soon as the Renshaws were established upon their farm, it became one of the standing rules of the place that Wilfrid and the two men should fire twelve shots at a mark every morning before starting for their regular work at the farm. The target was a figure roughly cut out of wood, representing the size and to some extent the outline of a man s figure. It is much better to accustom yourself to fire at a mark of this kind than to practise always at a target, Mr. Atherton said. A man may shoot wonderfully well at a black mark in the centre of a white square, and yet make very poor practice at a human figure with its dull shades of colour and irregular outline. But we shall not be able to tell where our bullets hit, Wilfrid said; especially after the dummy has been hit a good many times. It is not very material where you...
