TRUSTING THE PROCESS: ENCOURAGEMENT FOR SINGLE MOTHERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Trusting the Process: Encouragement for Single Mothers was written to encourage and uplift single mothers on their parenting journey. As a single mother I personally know that the journey can be overwhelming. There are days when we as single mothers feel as though we are all alone and no one understands our frustration. You are not alone! Know that the Most High is just a prayer away to comfort you like only He can. Instead of allowing the journey to overwhelm you, be encouraged! Know that the Most High will not place you in any situation that you cannot handle, including raising your children by yourself. An encouraging word or uplifting prayer is all that we need to put things back into perspective. Know that your journey of being a single mother will become less of a burden once you trust in the Most High and allow Him to bring peace into your life by cultivating a relationship with Him through prayer. Don't allow frustration to stop your praise. Just simply trust the process.
