Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Banking Principles and Practice, Vol. 16* It would be impossible within the narrow confines of one volume to deal exhaustively with so extensive a subject as that of Canadian banking practice, but it is hoped that the parts of this subject dealt with herein will be found to be treated with due regard to their relative importance, and that no really essential information has been overlooked. As far as possible, all matters coming within the scope of the Bills of Exchange Act have been purposely omitted, because an intimate knowledge of the act itself is essential to every business man and banker. Altho Canadian banks may differ in bookkeeping and methods, the general principles and aims of their systems are the same, and the reader should have no difficulty in understanding the forms and methods explained in the d104, and in interpreting them by his own experience. Too specific explanations have been avoided as far as possible, lest the principles involved should be buried under a mass of detail. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
