Endohedral Metallofullerenes
- Novel Materials for
Nanoelectronics
Insights from Density Functional Theory Modeling

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Insights from Density Functional Theory Modeling | Fullerenes, hollow carbon cages on the order of 1 nm in diameter, are future building blocks in many areas of applied and fundamental nanoscience. Fullerenes show potential for applications in nanotechnology due to the possibility of tuning their properties by doping and/or functionalization. In particular, the endohedral doping of the hollow carbon cage with metal atoms and clusters allows changing of the electronic and magnetic...

Reviews

The ebook is simple in read easier to recognize. It is one of the most awesome book we have read through. I am happy to explain how this is basically the finest pdf we have read inside my very own lifestyle and may be he finest publication for actually.

-- **Jaiden Turcotte DDS**

The book is not difficult in read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication i actually have read in my individual daily life and may be the best book for possibly.

-- **Valerie Heaney**
