Jack Assbanker Publications, United States, 2014. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Blood Moon Over D Apocalypse takes the reader on an action-packed journey and introduces Commander Colt Jackson, a true American hero and Christian warrior, to the world at large. He is a U.S. Navy Seal and is sent on impossible missions---with only his fellow brothers, patriots and the good Lord above, to stand by him and protect him. He also isn't perfect. He's a man's man, calls them the way he sees them, and occasionally acts like the Apostle Peter (e.g. sometimes, rarely, he swears). He is also a complicated and dedicated man and is set on giving his life for people of freedom, all over the world. His bravery and his natural, rock solid good looks, gets him into complicated situations with women who are attracted to him.and they all are extremely beautiful. He always tries to balance God's will for his life and his naturally, mortal instincts to survive in often times life and death, righteous battle. Whether against an evil enemy, or against his testosterone fueled, manly desires, Colt Jackson knows the pain and pleasure of trying to do the Lord's will. He, too, is a sinner. Because of a devious and brilliant scheme against the United States, for the first time in history, the President must activate Seal Team America. Commander Jackson's Seal team and loved ones face murderous threats from multiple and highly sophisticated enemies---including a brigade of highly-trained Priest Assassins and a powerful, foreign mercenary...
