Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Buhen With this exception the whole site of Buhen has been fully and completely investigated. The work was carried out by the Curator and Assistant Curator of the Egyptian Department of the Museum, who are the authors of the report presented in this book. They have received much valuable assistance from Mr. A. M. Blackman, who is responsible for all the translations of the inscriptions, and for the interpretation of the scenes in the temple of Hatshepsut. The scheme of the book needs little explanation. The portions that are printed in smaller type are those which are indispensable to the special student but which contain too much minute detail to interest the general reader. The cross-references to the descriptions of individual tombs and to the catalogue will enable the archaeologist to examine the evidence for the character and date of every object, while all specimens of any interest whatever are illustrated in the plates.
