Brand New Book ***** Print on Demand *****.In this comprehensive but easily understood book, Stewart Flaherty explains that regardless of how carefully you plan your future, it s a certainty that it won t unfold exactly as you expected. Which is why he advocates planning not only for what you hope to attain but also for what you don t anticipate. His firm s trademark Lifestyle Financial Management process helps clients identify and commit to the fundamental principles that enable sound financial decisions. author bio: Stew Flaherty is the Founder and President of Flaherty Consulting Group, an independent financial advisory based in Westerville Ohio. During his 40+ years as a financial advisor, Flaherty has helped guide hundreds of individuals and families towards a more secure financial future and ultimately, a rewarding retirement. His flourishing professional practice is founded on core principles that facilitate a sensible, sustainable approach to successfully managing money. Early on, Stew recognized that most financial plans suffered from an inherent flaw. While they looked good on paper, the plans lacked a practical connection to their clients lifestyles. To overcome this defect, Flaherty pioneered...
