Lifeloaded, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As a successful dating coaching that had spent the years before writing this book travelling the world teaching men how to meet and attract women during the day (the streets were always my favourite training grounds), I had absolutely no intention of writing a book - I was having too much fun. This is the book I wish existed when I first discovered the pain of not understanding women. I wrote it for me, and, if you're anything like I used to be, in so doing, I wrote it for you, too. You hold in your hands the Master...
