Whether you think they are in style or not, these brightly colored men s ties create a fun, nostalgic, and challenging way to spend the day working a puzzle. The image for this Vintage Necktie 1000pc Puzzle from Galison was composed and photographed by Troy Litten. He is a designer, photographer, and collector fueled by an appreciation for and fascination with all forms of visual culture, communication, and expression. Troy collects, curates, and comments on the world he observes and experiences and although he owns over 250 vintage neckties can t recall the last time he wore one. However, he believes that the style and flair of neckties from the debonair fifties to the swing in seventies remain a colorful and enduring staple of the well-dressed man and we agree.
