The first comprehensive guide on maximum adverse excursion -- a powerful new tool for dramatically lessening trading risks Trading successfully, like everything else, is built upon solid preparation. It is the well-prepared individual who will be able to cope in today s competitive market. John Sweeney s Maximum Adverse Excursion will provide you with the steps to perform the analytical review of your trading system that you should undertake before you ever risk your capital. -- Thomas Hartle, Editor Technical Analysis of Stocks Commodities magazine Maximum Adverse Excursion deals with a much overlooked subject: how to minimize losses. If every trader took John Sweeney s advice and learned how to minimize losses before trying to make profits, they would be financially ahead. -- Martin J. Pring, President The International Institute for Economic Research John Sweeney has done it again. As with Campaign Trading, he takes a complex set of ideas and explains them in a simple, easy-to-understand manner, in a form that traders can use to help them make informed and profitable buy-sell decisions. -- Clifford Sherry, PhD, author The Mathematics of Technical Analysis Most successful traders have a sixth sense that alerts them to loss points and amounts. But what happens when intuition fails? When the potential loss incurred on a trade is significant, you need more than guesswork. But is it possible to estimate the loss point accurately--quantitatively? With maximum adverse excursion (MAE), the answer is a resounding YES . This innovative method of risk management enables traders to steer clear of potentially devastating results by pinpointing loss points before implementing trading decisions. Now, in the first book to provide an in-depth examination of this vital trading...
