

Spirits, Saints, and Sinners in the Er: Real Stories of the Er

By John Doe

Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I re-edited this version sorry for the past errors I have never believed in ghosts, until I worked in the ER Emergencies are: Shortness of breath, stabbing, getting shot, car crash, heart attack(not gas), falls of greater than 5 feet, fetal emergencies, imminent birth, stroke or stroke signs, an arrow sticking out of any part of your body, a knife sticking out of any part of your body, uncontrollable bleeding(from anywhere), poisoning accidental or intentional, electrocution, being mauled by a dog(a large dog), being hit by a car, attempted suicide, losing an appendage(that means body part), breaking any bone in your body except a toe, drowning, hanging, child abuse, snake bites(don t bring the live snake in please), a power tool accident, burns(not sunburns idiots), sudden blindness, periods that have lasted longer than 2 weeks(don t ask), falling on a table saw(yes that happened they didn t make it), passing out, seizures, any real emergency. I could name a few dozen more, but that would take too long. The following are a few things that are...
