### **Reviews**

*I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).  
(Prof. Jeremie Kozey)*

## ARROGANT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Even a bad boy can wear a suit and tie. NOAH All it took was one look at Harley to know I wanted her. It wasn't about the deliberate sexual dry spell I was going through either . the one I voluntarily participated in. No, there was something about her innocence and her vulnerability that had possessiveness running through my veins. I wanted her as mine, and I'd have her. I'd show her that although I could be cruel to those who went up against me, when it came to her, I'd make the world bow down at her feet. HARLEY The position I had been offered was a once-in-a-lifetime opportunity, but it also came with working for a man who had the most notorious reputation in the city. Noah Wright was anything but Mr. Right, especially not with his arrogant, unforgiving, and tyrannical attitude. He was wealthy and gorgeous, but he struck fear into people with just a look. They knew who held the power when he was in the room. So did I. And I was now working for him and getting an up-close-and-personal experience with his cold, hardened, and abrasive personality . and it turned me on. But there was something else under the frigid demeanor he showed everyone, a slice of warmth he showed only me. I knew if Noah wanted me, he could easily have me, because putting up a fight was not what I planned on doing. I wanted him, but I wouldn't be just a conquest. Warning: Love insta-everything in a book? Like over-the-top sugary goodness? Want your stories dripping with cocky and possessive alpha heroes who...
