Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you searching for an introduction to Walt Disney World Resort? Have you been to Disney World, but things have changed or you're looking for some new tips? Maybe when you look at a guidebook or visit a website, it's kind of like drinking water from a firehose - too much information and too little introduction. An introduction should be brief - not giving you hundreds of pages full of every detail. This book will introduce you to Walt Disney World Resort: the parks, types of resorts, dining, tickets, and a lot of tips and tricks. This isn't a guidebook that tells you about every ride, every resort and what to order at every restaurant. Instead, this guidebook is an introduction. So, if you aren't looking for the War and Peace version of a Walt Disney World Resort guidebook, then you've come to the right place. *** Will this be the only guidebook you'll ever need? Probably not. Think of this guidebook as a gateway to your destination. Maybe you'll want to read restaurant reviews online or visit Disney travel websites to learn about current ticket discounts. Use this book as a way to know what to look for. Use this book as a way to know what questions to ask. Use this book like an introductory college course - setting the table so that you can dive into more detail with other resources. This book will introduce you to the four major theme parks: Magic Kingdom, Epcot, Hollywood Studios, and Animal Kingdom. This book will introduce you to the two water parks: Blizzard Beach and Typhoon Lagoon. This book has sections on dining, hotels,...
