Reviews

The best publication i actually study. We have study and that i am certain that i will likely to study once more again later on. Your daily life span will likely be transform the instant you total reading this book.

(Mrs. Alene Leffler DVM)

IS RESEARCH PARADIGMS: METHOD VERSUS SUBSTANCE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Is Research Paradigms: Method Versus Substance* We examined 155 behavioral IS research articles published from 1983-1988 and found that while this research is not rooted in a single overarching substantive paradigm it does exhibit a single methodological paradigm, that of positivist methodology. We argue in this paper that this metatheoretic perspective, stemming as it does from the natural science tradition, is not always appropriate for investigating the relationship between information technology and human activity. In particular we urge the recognition of social process as inherent in any inquiry into the development and use of information systems within organizations. In the light of such an emphasis on social process, the determination of meaning in social life becomes important, as do the dimensions of time and context. We argue that positivist research methods are not well-equipped to deal with situated meaning formation over time, and propose an additional research approach to augment the current investigations of behavioral IS researchers. We outline the features of such an additional paradigm, interpretivism, and indicate a number of research methodologies that subscribe to its tenets. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.](#)
