THE IMPACT OF OUTAGES ON PRICES AND INVESTMENT IN THE U.S. OIL REFINING INDUSTRY (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This paper considers the effects of refinery outages (due to planned turn-arounds or un-planned events) on current petroleum product prices and future refinery investment. Empirical evidence on these relationships is mixed and highly dependent on the size and duration of the outage, the geographic area considered, the level of inventories available at the time of the outage, and the tightness of the market..
