THE YESHE LAMA: JIGME LINGPA S DZOGCHEN ATIYOGA MANUAL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Here is the great Yeshe Lama, the most renowned, comprehensive and the most efficacious of the Dzogchen manuals. It is a sourcebook for Dzogchen Breakthrough/Leapover precepts. Certainly, the Yeshe Lama lives up to its reputation. It is still the crown jewel of the latter-day Dzogchen lineages. It is at the apex of the Longchen Nyingtik corpus of literature, presenting the essential Dzogchen yogas in pith instruction. The Longchen Nyingtik is based firmly in Longchen Rabjampa s vision, a massive, vast and profound Dzogchen vision written down as the Seven Treasuries, which in turn were based intimately upon the tantras of the Nyingma Gyubum, the treasure house of Dzogchen. The translation was made for the benefit of students who have received transmission and oral instructions from a teacher and need clarification and elucidation from an authoritative literary source. It is meant for yogins and yoginis, adepts and practitioners. It may not be finally authoritative, but grounded in the wisdom of the old Dzogchen lamas who were wise before they came out of Tibet, as the fruit of a lifetime s listening, studying and contemplation it may be of some use to people who are committed to the Dzogchen yogi ethos. The urban yogis who have no connection with the traditional teaching may also appreciate access to its precepts. Most significantly, in my mind, this translation stresses the nondual aspect of Dzogchen, the radical aspect that is overlooked by conventional Buddhist Vajrayanists. The translation attempts, wherever possible, to clarify instruction, resolve ambiguities, and turn abstruse Tibetan nuance and allusion into comprehensible English prose. Sometimes that is not possible because of an absence of English equivalents of Tibetan terms or metaphors, sometimes because...
