GENERAL VITICULTURE (HARDBACK)

University of California Press, United States, 1975. Hardback. Condition: New. 2nd edition. Language: English. Brand New Book. Wherever grapevines are cultivated, this book will be welcome because it fills a long-standing need for a clear, concise treatment of modern viticulture. During the past fifty years, more progress has been made in the science and art of growing grapes for table use and raisin or wine production than in any previous century. This new edition has been revised throughout. The...
