

## William De Morgan: Arts and Crafts Potter (Paperback)

By Rob Higgins, Christopher Stolbert Robinson

Bloomsbury Publishing PLC, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. William De Morgan designed and manufactured ceramics from 1870 to 1907, and lifelong friendships with William Morris and Edward Burne-Jones placed him at the heart of the Arts and Crafts revolution. After designing stained glass for William Morris, De Morgan set up his own pottery works. His personal vision was for intense underglaze colours and shimmering lustres to show off his designs of fabulous animals, rich florals, and flowing Persian curves. De Morgan was unquestionably the Arts and Crafts Movement's most important potter. Today his work is part of some of the world's major art collections. This is the only book available that looks at the man and his works.

### Reviews

*Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.*
