Reviews

Absolutely among the best book We have ever study. It is actually writer in easy words instead of hard to understand. I found out this publication from my i and dad encouraged this book to find out.
(Kristina Rippin)

DESAMBIGUISATION DE LA SYNONYMIE ADJECTIVALE (PAPERBACK)

Univ Europeenne, United States, 2010. Paperback. Condition: New. Language: French . Brand New Book. La presente etude, fruit des nouvelles tendances dans le domaine de la lexicomatique, a comme objectif essentiel de proposer des solutions aux problemes lies a l'ambiguite de la notion de synonymie. Apres avoir mis en evidence les multiples formes d'ambiguites entourant la synonymie, elle propose une conception de la synonymie: Elle montre que les mots ne sont synonymes que dans des contextes phrastiques bien determines, et qu'il n'existe pas de relations synonymiques entre unites lexicales isolees. Suite a cette approche contextuelle, est introduite une nouvelle facon de presenter les synonymes dans une base de donnees dictionnaire, apte a fournir des equivalents semantiques exempts de toute ambiguite. Sont ensuite exposees les donnees theoriques qui ont guide cette approche, particulierement la theorie du lexique-grammaire, d'inspiration harrissienne, ainsi que la theorie des classes d'objets. Les fondements pratiques de ce travail decrivent la procedure utilisee pour collecter les composantes d'un dictionnaire contextuel. La structure de la base de donnees, les differentes etapes de son elaboration ainsi que la procedure de son exploitation y sont egalement presentees.
