Orion's Comet LLC. Paperback. Condition: New. 361 pages. Breaking Bad meets Bull Durham in this darting knuckleball of a baseball thrill ride. Roger Hack OCallahan was a legendary major league manager, not only for his success on the field, but also for his hair-trigger temper and surly disposition off of it. Even with 84 years under his belt, he hasn't mellowed with age, much like the cheap whiskey that he guzzles by the bottleful. When he's diagnosed with advanced liver cancer, though, he goes on a bourbon-fueled bender to the somewhat sleepy college town of Hoplite, Ohio. His mission: To worm his way into managing the AA Hoplite Magpies for one final season on the bench, even as his cancer eats away at him from the inside. The only thing more rotten than his decaying body is the Magpie clubhouse, a collection of spoiled suburbanites, racist southerners, and non-English-speaking Latin cliques. As Hack instills his own unique brand of old school discipline in the fractured clubhouse, he keeps his dark secret from his players, content to die without ever revealing it to them. As the team comes together, though, little does he know that the Magpies are keeping secrets of their own, secrets that could not only tear the world of baseball apart, but also spell doom for one of his players. A tightly-paced baseball thriller with plenty of curveballs, *Hack: The Complete Game* will keep you guessing and crying, both with laughter and unchecked emotion, through its unexpected conclusion. **HERES WHAT REVIEWERS ARE SAYING ABOUT THE SERIES:** D. J. Gelner, author of the insanely fun novel *Jesus Was a Time Traveler* once again hits a home run with his newest series, *Hack*. . . Needless to say I thoroughly enjoyed this book. Once again, the author proves that he has what it takes to convince even the most skeptical of us...
