Augsburg Fortress. Paperback. Book Condition: new. BRAND NEW, What is African American Religion?, Anthony B. Pinn, Sketching the religious landscape of African American communities today, the volume makes explicit the tension in traditional conversations about black religion that privilege either Christianity in particular or simply organizations (with doctrines and creeds) in general. Discussing the misunderstandings and historical inaccuracies of such views, Pinn offers an alternate theory of black religion that begins with a basic push for embodied meaning as its core impulse.
