

Astronomical Photography for Amateurs (Classic Reprint) (Paperback)

By H H Waters

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Astronomical Photography for Amateurs It is probable that many who peruse this book will merely want to know to what extent it will be practicable for them to take a Shot now and again Of celestial bodies, as they have not the time and, perhaps hardly the inclination as yet - to go in for serious work. These have not been forgotten in preparing this book, but it is more especially written to encourage amateurs to undertake a regular and steady course Of observation, which is not only its own reward but is also of the highest value scientifically. The reader who is already an expert photographer but not yet an amateur astronomer, will find a new and vast field on which to try his Skill. To the amateur astronomer I would suggest that in solving the many outstanding problems, the photographic plate is likely to play an increasingly important part. Bearing in mind that this handbook is written for beginners, I have confined myself entirely to practical instructions which should enable the amateur to make the best use of the...
