CONSTRUCTION DRAWINGS AND DETAILS FOR INTERIORS: BASIC SKILLS

John Wiley Sons Inc, United States, 2016. Paperback. Book Condition: New. 3rd Revised edition. 275 x 129 mm. Language: English . Brand New Book. A complete guide to preparing construction documentation from a design perspective Construction Drawings and Details for Interiors has become a must-have guide for students of interior design. It covers the essentials of traditional and computer-aided drafting with a uniquely design-oriented perspective. No other text provides this kind of attention to detail. Inside, you ll find specialty drawings, a sensitivity to aesthetic concerns, and real-world guidance from leaders in the field of interior design. Updated content is presented here in a highly visual format, making it easy to learn the basics of drawing for each phase of the design process. This new Third Edition includes access to a full suite of online resources. Students and designers studying for the National Council for Interior Design Qualification (NCIDQ) will especially appreciate these new materials. This revision also keeps pace with evolving construction standards and design conventions. Two new chapters, Concept Development and the Design Process and Structural Systems for Buildings, along with expanded coverage of building information modeling (BIM), address the latest design trends. * Includes online access to all-new resources for students and instructors * Provides real-world perspective using countless example drawings and photos * Focuses on interior design-specific aspects of construction documentation * Serves as a perfect reference for the contract documents section of the NCIDQ exam Written by designers, for designers, Construction Drawings and Details for Interiors remains a standout choice for the fields of interior design, technical drawing, and construction documentation. From schematics through to working drawings, learn to communicate your vision every step of the way.
