DOWNLOAD

Anshan Ltd, United Kingdom, 2008. Mixed media product. Condition: New. Language: English . Brand New Book. This mini atlas is a lavishly illustrated pocket reference to all types of dermatological conditions. It has been structured in such a way that it will be useful both to medical undergraduates and to general practitioners. There are over 400 colour photographs spread across 29 chapters. Each image is clearly described, the cause of the condition is explained and the subsequent treatment is suggested. Many of the conditions are unusual, extreme and rarely dealt with. The book also contains a free photo CD ROM, so that the images can be seen on a screen in a larger format. This mini atlas is an outstanding, inexpensive guide-book for students of dermatology, GPs, and specialist dermatologists.
