Will they all accept each other and become one large, solid, happy and loving family? Nine months ago, Jackie Bowers, now widowed for almost three years, had moved from California to Ponderosa, a small town located in Northern Arizona. Jackie had purchased and moved into The Hilltop Inn, a bed and breakfast, satisfying a long time dream. When her washer died she went to Soap Suds Laundromat where she met widower, Brian Williams, a contractor, when he came to pick up his grandmother, Gram. Brian did all the renovations at the Inn. During the course of the renovations Jackie and Brian fell in love and are now engaged to be married. An Open House and a Chamber mixer were held for the community to announce the Inn is ready for guests. The renovations are complete and the Inn is officially open for business. As guests come and go, Jackie and Brian must deal with serious family health issues, bad weather conditions and planning a wedding. Will their love and faith help Jackie and Brian to face and conquer these challenges? Will it all come together? Will Jackie and Brian have the beautiful wedding of their dreams? Read The Hilltop Inn - A Wedding and see if it all works out in their favor.
