When Aoife reports their existence to her kingdom, the community is targeted as a threat. Aoife is exiled for treason and finds refuge among the very people who had been declared her enemy. With them, she begins a new life surrounded by kindness, equality, and cooperation. But within herself, Aoife has no peace. She cannot share the grief she feels for the home and children she left behind, nor can she bear the warrior scars of the man she comes to love. On this most important of journeys, there is no map to guide her.
