Not Avail, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a work of Christian fiction and possible future events. The intent is to increase faith and present a story that might actually come about in our Christian walk. Have we ever wondered whether we were truly saved? Many of us have. As Christians we may believe we have done something to upset or displease our God and Father, and His Son, the Lord Jesus Christ. After some research and much thought, the author has concluded that God s love is very powerful. In fact, God s Love calls us persistently over the course of our Christian walk. The idea for the story comes from current events, personal experiences/worldview, and imagination. The story is unique, and at least partially the authors testimony.
