STOCK TRADING: TIPS AND TRICKS TO START RIGHT, AVOID MISTAKES AND WIN WITH STOCK TRADING (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.STOCK TRADING: Tips And Tricks To Start Right, Avoid Mistakes And Win With Stock Trading Stock Trading is a fundamental book, which explains simply and with utility the important processes and methods required to turn the novice enthusiast into a competent Stock Trader. Many people are aware of the mythology of Stock Trading, since images of fast-paced sales and frantic deals have infiltrated mainstream culture through film, television and advertising. However, for those inspired by these images, it is hard to know how to enter the world of the Stock Market, and how to avoid the crushing disappointments of poor trade decisions. In a style which is clear, focused and well-informed, this book takes the topic of Stock Trading and exposes the method behind the magic. The Book is arranged into clear chapters which are designed to cover the variety of needs of the new Stock Trader. These are: - Stock Trading Tips: In this supportive opening chapter, the reader is encouraged to abandon their fears about Stock Trading, and to get their feet wet. The reader is immediately shown key, practical skills such as how to read a stock ticker and how to open a broker account. This means that by the end of Chapter One, the reader has already started on their journey, and already has meaningful skills under their belt. - Tricks for the Beginner: This chapter is bursting with hints and tips to help the reader to feel more confident about the process of Stock Trading. These include good strategies to try in trading, and good attitudes to have towards your trading. - Orders and Different Methods for Buying Stocks: Key concepts are carefully explained here, such as...
