Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As suggested by its title, this aphoristic philosophy project explores the distinctions between what have been termed the bureaucratic-theocratic axis of a rising diagonal and the autocratic-democratic axis of a falling one, and does so in such a way that there can be no doubt as to the outcome of each axial progression, whether it be in respect of Social Theocracy or Social Democracy, with eschatological implications which give a contemporary twist to the concept of Judgement and the consequences of what is at stake in any contest between the two axes, the divergent natures of which have been more comprehensively fleshed out here than in the preceding title, *Apocalypso* (2003).
