

Secrets of the Cannabis Industry (Paperback)

By Chuck Allen Jr

iUniverse, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For more than 160 years, the cannabis industry was a valued and trusted friend of the American people. Thirty-one consecutive presidents, including George Washington and Abraham Lincoln, didn't have a problem with the cannabis plant. It was the most valued commodity traded for on the free market until 1937. In *Secrets of the Cannabis Industry*, author Chuck Allen Jr. provides a look at the cannabis industry and the men and women who risk their family, friends, and freedom to work within it. Each chapter narrates a story from the subculture of cannabis entrepreneurs. There's Professor Muzzo, who unknowingly helped one of his students achieve financial success by selling a popular fast-food item spiced with a secret ingredient; a postal employee with a secret garden in his basement; an entrepreneur who made a fortune selling franchises for indoor-growing opportunities; and a fireman's wife who owned a video store with extra-special movie-rental benefits. *Secrets of the Cannabis Industry* considers the courage and the determination of these entrepreneurs and shares the secrets of how they became independent and financially successful in the cannabis industry.
