AUTHORHOUSE, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this book, I will show why you need to persevere in your trials, temptations and pain in order to secure your destiny. God has promised you, of course, good things and a fulfilled destiny, but there is a process to go through. You must accept the process before you are given what has been promised. Many people, especially believers, want the best from God, but they are not ready for the process. Remember, process determines the end-product. The enemy cannot stop what God has made in the fiery furnace. It will stand the tests of time. Every believer must have a level of buoyancy just like a ball. The more you push a ball down in the water, once released, the higher the ball shoots into the air. The more you are pushed down in life, ostracized and told that you are nothing, the higher God will allow you to rise. The Lord will make the enemy out to be a liar and cancel every negative word spoken over your life. It is not as if the enemy (Satan) is stronger and has better weapons than we do. We, as children of God, just fail to pick up and use the weapons that God has given us to combat the enemy. Go with me in this timely book to encourage you and inspire you towards your destiny.
