Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WHITMAN (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Whitman, by John Burroughs, is a classic biography of the great American rustic poet, Walt Whitman. The writing of this preliminary chapter, and the final survey and revision of my Whitman essay, I am making at a rustic house I have built at a wild place a mile or more from my home upon the river. I call this place Whitman Land, because in many ways it is typical of my poet, --an amphitheatre of precipitous rock, slightly veiled with a delicate growth of verdure, enclosing a few acres of prairie-like land, once the site of an ancient lake, now a garden of unknown depth and fertility. essay, I am making at a rustic house I have built at a wild place a mile or more from my home upon the river.
