

Taking the Stairs

Filesize: 3.29 MB

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ms. Fatima Erdman)

Nightwood Editions, 2008. Paperback. Book Condition: New. Nightwood Editions 2008 New/ Review "Taking the Stairs is subtle, desperation-laced with bits of hope that compel it forward with improbable force. It's Stiles' best, and a winner by all accounts."--Corb Lund (Corb Lund) "Taking the Stairs is an utterly winning, Kafkaesque novel, set first in small town Glenville and later in Toronto, about Jarod Palmer's desperate and inescapable love affair with being a writer, being dumped by calculating, duplicitous girls and tortured by the obtuse and well-meaning Elliot. From beginning to end - from teenage adoration for Lana Banana, to traumatic talent contests, penniless days spent in bed, low-paid jobs, rejection slips, phone calls, film scripts and short stories - it is horny, abject, real, funny and grand."--Annie Freud (Annie Freud) "Taking the Stairs is a coming-of-age novel that is all telling details and offbeat touches. It is a novel by someone who still knows the power of small town secrets. The story follows Nova Scotia lad Jarod Palmer from his ill-at-ease youth, trying to please his flibbertigibbet gal pal Lana Banana, to early middle age as a Toronto writer working crap gigs waiting for the big break. It's funny, warm, odd and vulnerable as all get-out."--Ithaca Times (New York) (Ithaca Times) "Taking the Stairs is a humorous window into the life of a thirtysomething who for right or wrong is so dedicated to his love of writing that he risks giving up himself in the process. It's a light read worth taking to the beach this summer."--Calgary Herald (Calgary Herald) "Stiles' bleak comedy is guaranteed to make even the most malnourished writer laugh out loud."--Mike Landry, Novel Things (Novel Things) "Getting started as an author in Toronto isn't easy. Taking the Stairs is a novel about struggling...
